MEMORANDUM FOR THE RECORD

Conditions under which this TS, EYES ONLY, document came into our hands.

Mr. Park Armstrong wrote this document while I waited in his office. Mr. Armstrong then took the document up to Mr. Herbert Hoover, Jr., Under Secretary of State, for his approval. After about 45 minutes Mr. Armstrong returned to his office with the document and stated that Mr. Herbert Hoover, Jr. had approved of it with changes written in pencil by Mr. Hoover. Mr. Armstrong lined out several parts of sentences and then handed me the document for dispatch through our commo system. I took the document to General Cabell and Mr. Allen Dulles. They read it and told me to put in proper pseudos and dispatch it.

The document did not have a signature on it.
